

FreshnessMonitor\_IP  
::setup

```
graph LR; A[FreshnessMonitor_IP::setup] --> B[freshness_handler]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'FreshnessMonitor\_IP' on the top line and '::setup' on the bottom line. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'freshness\_handler'.
