

DeadlineMonitor_Fac
::setup

```
graph LR; A[DeadlineMonitor_Fac::setup] --> B[deadline_handler]
```

A diagram showing a call from DeadlineMonitor_Fac::setup to deadline_handler. The first box is gray and contains the text 'DeadlineMonitor_Fac' and '::setup'. A blue arrow points from the right side of this box to the left side of a second, white box. The second box contains the text 'deadline_handler'.

deadline_handler
